

Oakwood Christian Academy Summer Reading - 2018

Students Entering 11th Grade

Purpose: To build student vocabulary, develop critical thinking skills, encourage reading, and prepare for classes.

OCA has a required summer reading for students which are expected to read TWO books over the summer. Our goal is for our students to not only enjoy their summer reading books but also to use this assignment as an opportunity to improve their analytical and writing skills. It is our desire that students both read the book and think about what they are reading.

For Biblical Worldview class (11th Grade Bible), everyone is required to read *Being A Christian* by Jason K. Allen and *Truth Matters Confident Faith in a Confusing World* by Köstenberger, Bock, and Chatraw. Both books will be utilized for class discussions as well as a complimentary support for course content.

The first book will be discussed and then tested over during the second week of school in class (11th Grade Bible). The book should be read before school begins in August. Students who may have read the book previously should re-read so that they will be prepared for discussion and test. No written assignment will be submitted for this book, though students should record notes (i.e.-key themes, central truths, personal observations, etc...), whether written or typed, to use for graded class discussions. The content will help students become acclimated to what is covered in Biblical Worldview class.

For the second book students will submit a written assignment that is **due the first day of school**. Following each chapter of the book, as well as the Epilogue, there are discussion questions. Students are required to respond to each of these questions. (26 Total) Questions not only ask about content from the chapter but also explore how students react or feel about the content.

Responses should refer to the text when applicable and answer each question completely. Answers may be typed or neatly handwritten. Answers must be the student's own original thoughts. Plagiarism (using answers off the Internet or passing someone else's thoughts off as your own) will result in a zero on this assignment. This assignment should be printed out and ready to turn in at the beginning of class.

Students are also encouraged to record notes for this book as well. This assignment will be worth one test grade for the 1st Quarter.

If you have any questions or need any clarifications, please do not hesitate to email Mr. Wooten at mitchellwooten@oca.oakwoodbc.org or Mrs. Tindell at leannetindell@oca.oakwoodbc.org.
